

Says

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?

Genuine subscribers are those who have a genuine interest in a creator's content , engage with their videos,and provide meaningful feedback.

YouTube subscribers galore refers to the practice of gaining a large number of subscribers on the YouTube platform.while having a substantial number of subscribers can be seen as a sign of popularity and influence .

Instead of soley aiming for YouTube subscribers galore, creators should prioritize building an audience that genuinely appreciates their content and activiely participates in their community.

Regularly uploading content allows you to maintain engagement and keep your audience interested

Utilize social media platforms like Instagram, Twitter or Facebook to promote your You Tube channel and videos.

Creating high-quality and engaging content is crucial. Make sure your videos are well-produced, visually appealing and revelent to your targets.

To look presentable enough for the camera so that they can shoot videos for around an hour to a few hours,then repeat.And many of them do this every day.

In my personal opinion,i see it well worth of being called a real job and they spend lot of time in creating content.

I think the freedom of being your own boss and making your own decisions and what kind of videos you want to make on Youtube is a nice thing to have as well.

It can have both positive and negative aspects. On one hand ,it can be seen as an indicator of success and popularity.

Additionally,a high number of subscribers does not necessarily guarantee success or content quanlity.it is mportant for creators to focus on building a loyal and engaged audience who genuinely enjoys their content and actively interacts with it

On the other hand, the pursuit of subscribers Galore can sometimes lead to a focus on quantity over quality.
